JASON BYHRING

ASSOCIATE INSTRUCTIONAL DESIGNER

Geneva, IL 60134 | 630-501-5395 | Z1625904@students.niu.edu

PROFESSIONAL SUMMARY

Emerging instructional designer and M.Ed. candidate with a foundation in educational psychology, software development, learning technology, and audience-centered communication. Experience translating technical and research-based concepts into workshops, presentations, guidance, and learner support resources. Brings strong PowerPoint, Excel, writing, organization, and cross-functional collaboration skills to the development of classroom, e-learning, video, assessment, and job-aid content.

INSTRUCTIONAL DESIGN & TECHNICAL SKILLS

Learning Design: ADDIE; learning objectives; needs analysis; storyboarding; assessments; job aids; classroom and e-learning content; UDL; accessibility (WCAG/Section 508)

Development Tools: Microsoft PowerPoint and Excel; Articulate 360 (Storyline/Rise); Adobe Captivate; Camtasia; Canva; Microsoft 365

Learning Technology: Canvas, D2L Brightspace, and Blackboard LMS environments; educational technology evaluation; learner support and technical documentation

Collaboration: SME and faculty partnership; research synthesis; training communication; workshop development; project coordination; attention to detail

RELEVANT EXPERIENCE

Educational Technology Workshop Designer & Presenter | Aug 2026 - Oct 2026

Mid-Western Educational Research Association (MWERA) - Milwaukee, WI

- Designed an accepted professional-development workshop that teaches graduate students, researchers, and education professionals to use Python for educational and scientific data analysis.
- Translated programming and statistical concepts into sequenced, learner-centered explanations, demonstrations, and supporting materials for an audience with varied technical experience.
- Applied instructional-design principles, educational psychology, UDL, and accessibility considerations to clarify complex content and promote skill transfer.
- Coordinated content, presentation flow, examples, and learning activities against conference requirements and a fixed delivery date.

Instructional Design & Honors Engaged Participant | Jan 2026 - Mar 2026

Northern Illinois University - Center for Innovative Teaching and Learning - DeKalb, IL

- Collaborated with university instructional-design professionals to examine evidence-based course design, assessment, program evaluation, ADDIE, and UDL practices.
- Reviewed how learning objectives, instructional materials, technology choices, and assessment strategies align to support effective learner experiences.

Marketing and Events Assistant | Aug 2024 - Jul 2025

College of DuPage - Glen Ellyn, IL

- Created PowerPoint presentations and event communications for internal and external audiences, organizing information into clear, visually engaging formats.
- Collaborated with marketing and event partners to tailor messages, themes, and presentation content to audience and program needs.
- Balanced multiple deadlines and event priorities while maintaining accuracy, consistency, and attention to detail.

IT Technician | May 2023 - Jun 2024

Northbrook Public Library - Northbrook, IL

- Trained and supported end users on hardware, software, and digital tools, adapting explanations to different skill levels and learning needs.
- Created and maintained technical documentation and help-desk records that improved issue tracking, knowledge sharing, and repeatable user support.
- Managed five or more concurrent installations, upgrades, troubleshooting requests, and user-training activities per day.

ADDITIONAL EXPERIENCE

Undergraduate Researcher / Evaluation Assistant | **Jan 2026 - May 2026**
Northern Illinois University - DeKalb, IL

- Partnered with faculty subject-matter experts on IRB-approved NSF S-STEM and Noyce program evaluations, converting research questions and findings into organized analyses and stakeholder-ready reporting.
- Used Excel, Python, and R to analyze quantitative and qualitative information, check accuracy, and communicate findings through clear written and visual outputs.
- Managed detailed project requirements, documentation, and multiple analytical workstreams while meeting academic and compliance standards.

Academic Peer Reviewer | **Jun 2026 - Jul 2026**
2026 MWERA Conference - Milwaukee, WI

- Evaluated professional submissions for clarity, relevance, organization, and adherence to guidelines; delivered actionable written feedback by established deadlines.

Clerical Assistant - Admissions and Outreach | **Mar 2023 - Aug 2024**
College of DuPage - Glen Ellyn, IL

- Guided applicants through detailed processes, maintained accurate records, and translated policies and requirements into understandable next steps.
- Coordinated with cross-functional teams to resolve questions and keep application workflows accurate, organized, and timely.

Banquets Event Support and Guest Services | **Oct 2025 - Mar 2026**
Herrington Inn & Spa - Geneva, IL

- Delivered responsive service in a fast-paced environment while coordinating changing priorities, event details, and guest needs.

EDUCATION

Master of Education (M.Ed.), Instructional Technology - Assistive Technology Emphasis | **Expected Sep 2027**
Northern Illinois University, DeKalb, IL
GPA: 3.9/4.0 | Graduate Certificate in Advanced Quantitative Methodology in progress | Coursework includes instructional technology, educational research, UX design, statistics, and AI topics in education.

Associate of Applied Science, Computer Software Development | **May 2025**
College of DuPage, Glen Ellyn, IL
GPA: 3.5/4.0 | Multi-year Honor Roll | Student Ambassador | Computer Science Club Vice President and Treasurer | Co-organizer, COD Hackathon and Humble Data Workshop.

Bachelor of Arts, Psychology; Minor in History | **May 2014**
Roosevelt University, Chicago, IL
Coursework included learning and behavior, research methods, statistics, clinical psychology, and human development-related topics.

SELECTED PROJECTS & LEADERSHIP

- Designed learner-facing presentations, technical demonstrations, and explanatory materials that make data, programming, and educational technology more approachable.
- Established PyClub COD and helped organize the 2024 and 2025 College of DuPage Hackathons, coordinating learning-focused programming and participant communication.
